

New Forest Kayak & Canoe Club

New Forest Kayak & Canoe Club — Information Sheet

Formed in 2007 New Forest Kayak & Canoe Club is a new and fast growing kayak and canoe club based in the New Forest. The club caters for both experienced and new paddlers (with a minimum of some flat water experience, or BCU 1 star standard). The Club has members with a range of interests which include white water, sea, surf, touring, play boating and open canoes.

The club organises a programme of events throughout the year; these include sea kayaking trips along the Hampshire and Dorset coasts, White water trips to Devon and Wales as well as some weekend trips. See the club calendar for details of upcoming trips.

We meet regularly on Wednesday evenings throughout the year. In the winter, pool sessions are available to practice in the warm, in the spring and summer we move outside – generally onto the Beaulieu river. White water skills are practiced at Woodmill Weir when the tides are suitable

Thanks to a grant from “Awards for All” the club now has a number of boats (white water and Sea kayaks) and other equipment available for club members to use for a nominal charge. See website for details.

The NFKCC forum is available to club members and includes a discussion board and an ever expanding gallery of photographs from club trips and other events. A small selection of pictures from the forum can be seen on the main website www.nfkcc.org.uk.

Further benefits include: 20% discount on all Liquid Logistics courses and trips, 10% discount at Woodmill Shop for all purchases over £50 in value and concessionary access to the Beaulieu river at Bucklers Hard.

Pool Sessions: These are for club members only. There is a charge of £5 for all members – for a full two or three hours in the pool. The time is spent working in pairs swapping between being in a boat and out of the boat offering support and help to fellow members. There is no additional charge for any equipment required.

To join you will need to fill in an application form (see website) and return it with your cheque to the membership secretary.

Membership Fees

- Adult Membership costs £30 per year (+ £2.50 non BCU members)
- Junior membership costs £15 per year (+ £2.50 non BCU members)**

** Juniors under the age of 12 on joining will be accepted if their parent/ guardian is a member and accompanies the junior on the water at all times, or be present on the poolside during pool sessions – exceptions to this are for ‘taster’ sessions and specific coached training sessions.

For further information and details please contact the New Forest Kayak & Canoe Club secretary, at info@nfkcc.org.uk
